

Outputting table header and footer repeatedly

The `table-omit-header-at-break`, `table-omit-footer-at-break` properties in `<table>` control the repeated output of the header and footer in a table that is split across multiple pages.

The header and the footer in the table are outputted repeatedly.

Column 1 Header	Column 2 Header
<ol style="list-style-type: none">1. Cell text in single table2. Cell text in single table3. Cell text in single table4. Cell text in single table5. Cell text in single table6. Cell text in single table	<ol style="list-style-type: none">1. Cell text in single table2. Cell text in single table3. Cell text in single table4. Cell text in single table5. Cell text in single table6. Cell text in single table
Column 1 Footer	Column 2 Footer

Column 1 Header	Column 2 Header
<ul style="list-style-type: none"> 7. Cell text in single table 8. Cell text in single table 9. Cell text in single table 10. Cell text in single table 11. Cell text in single table 12. Cell text in single table 	<ul style="list-style-type: none"> 7. Cell text in single table 8. Cell text in single table 9. Cell text in single table 10. Cell text in single table 11. Cell text in single table 12. Cell text in single table
Column 1 Footer	Column 2 Footer

The header and footer in a table are not outputted repeatedly.

Column 1 Header	Column 2 Header
<ul style="list-style-type: none"> 1. Cell text in single table 2. Cell text in single table 3. Cell text in single table 4. Cell text in single table 5. Cell text in single table 6. Cell text in single table 	<ul style="list-style-type: none"> 1. Cell text in single table 2. Cell text in single table 3. Cell text in single table 4. Cell text in single table 5. Cell text in single table 6. Cell text in single table
<ul style="list-style-type: none"> 7. Cell text in single table 8. Cell text in single table 9. Cell text in single table 10. Cell text in single table 	<ul style="list-style-type: none"> 7. Cell text in single table 8. Cell text in single table 9. Cell text in single table 10. Cell text in single table

11. Cell text in single table
12. Cell text in single table
